

1SW Burnaby Beaver Colony

Virtual Scouting week of: **April 23, 2020**

You are a Scout all the time, not just at meetings! Here are some ideas for things you can do to keep the adventure going while physical distancing! You can do as much or as little as you like!

Weekly Challenge:

Make a Map of Your House! Remember to include the compass rose!

Hide some treasure in your house and mark it on the map.

Use the map to find the treasure!

Send us a photo of your maps!

Outdoor Adventure Skill Badge Activity of the Week:

Winter 1.2 / Trail 1.3 - Prepare a snack for an outing on the trail!

Personal Achievement Badge Activity of the Week:

Community Beaver: Read or tell a story to a younger sibling or a friend, by phone, video or in person.

Brain Teaser:

What question can you never answer yes to?

As always, your Scouters would like to know how you are doing Scouting At Home. Send photographs by email 1swbeavers@gmail.com. The Scouters will review the submissions and acknowledge youth for special achievement. We will give you credit for the badge requirements if you show you have done them. Please make sure you include your name!

At our weekly Zoom meetings, we will talk about your achievements and answer the brain teaser!
